STANDING ORDERS

This form is for you to instruct your bank to transfer funds to the credit union for loan repayments or for savings deposits. You may use this form if you are unable to set up your own standing orders by online banking.

Please note this is an instruction from you to your bank and we have no control over the standing order. It is not a Direct Debit mandate and we do not take money from your account, you send it to us.

If you wish to change your payments (for example, because you have higher loan repayments to make) you will need to instruct your bank to change the standing order. We cannot do this for you.

The following notes are to help you complete the form:

1. Enter the name of your bank or building society, and their full address.
2. Enter your account number and sort code. These will be on your bank statement, cheque book or bank card. Please **DO NOT** enter your bank card number.
3. Next, write the date on which you want the **FIRST** payment to come out of your account and cross out the three that do not apply from the Weekly/Fortnightly/Monthly/Four Weekly selection.
(Please note that some banks/building societies will only accept instructions to make payments weekly or monthly, please check with your bank that your requested payment frequency is acceptable).
Please try to ensure the frequency of deposits match the frequency with which any loan repayments are due. This will help us to take the right amounts for loan repayments.
4. It is essential you put your membership number in the reference field. This will ensure your deposits are allocated to your account without delay.
5. Sign the form, add your home address and today's date.
6. If you have an existing Standing Order and this form is its replacement, sign the last box to cancel the original instructions.
7. Please forward the form to your bank.

If you are in any doubt please telephone the office on:
01502-584854 and we will be pleased to help.
