

Rainbow Saver Anglia Credit Union Ltd

Paying in Direct to your Credit Union account

If you want to pay wages, tax credits, DWP benefits or pay direct into your credit union account please give or use these bank details.

Account No: 50119750
Sort Code: 08-92-50
Co-Op Bank

It is **essential** that either your membership number or your National Insurance number is shown in the reference number section of the transfer to enable us to pay the money into the correct account. If there is no reference number shown there will be a delay as we need to check that the money is for you. In these circumstances it helps us to trace the money if you know the exact amount (including pence).
